1. About this decision per capsulam

Due to the recent development in Afghanistan, Country Director Afghanistan Daniel Madhani has proposed that SCA opens a *liaison office in Pakistan*. Secretary General Andreas Stefansson agrees with the proposal. Opening an office would require registering with the Pakistan authorities, which requires a decision by the SCA Board.

2. The Board of SCA hereby decides

- 1) To open a liaison office in Pakistan
- 2) To instruct Secretary General Andreas Stefansson to authorize Country Director Daniel Madhani to register the Swedish Committee for Afghanistan (Org number 802021-4850) with the appropriate authorities in Pakistan.

This decision is taken in unison by all regular Board members of SCA per capsulam.
